PRAY:

- » **November Mission Prayer Points: Central Asia**
The country in Central Asia where our partners work is home to 24 unreached people groups (less than 2% Christian adherence). 20 of those 24 are considered frontier people groups, meaning 0.0-0.1% of the population is Christian. Gospel access is extremely low among this predominantly Muslim country. We support church planting, student and college ministry, and leadership development in the country.
 - **Student Ministry and Summer Camps:** *Pray that the students who were reached will continue to seek truth and come to know Christ personally.*
 - **The Church in Central Asia:** *Pray for Word of God church as they seek a permanent place to worship and meet.*
 - **Reaching Every People Group:** *This country is home to many different ethnic people groups. Pray that the Gospel continues to move forward through our partners.*
