**PRAY:**

» ***November Mission Prayer Points: Central Asia***
The country in Central Asia where our partners work is home to 24 unreached people groups (less than 2% Christian adherence). 20 of those 24 are considered frontier people groups, meaning 0.0-0.1% of the population is Christian. Gospel access is extremely low among this predominantly Muslim country. We support church planting, student and college ministry, and leadership development in the country.

- ***Student Ministry and Summer Camps:*** *Pray that the students who were reached will continue to seek truth and come to know Christ personally.*

» For your CG Adopted Mission Partner (if you've adopted one)

» That God would open ears and hearts to be shaped by His word today.

### READ MATTHEW 25:14-30 & PHILIPPIANS 4:10-19 & RECAP THE SERMON

***Discussion Questions***:

1. What challenged you, convicted you, and/or encouraged you from the teaching?
2. ***HEAD:*** How does this passage change your understanding of the Lord?
   - *What does this passage say about God?*
   - *What does this passage say about Man?*
3. ***HEART:*** How does this correct your understanding of the Lord? *(How should this impact your affections and what you feel?)*
4. ***HANDS:*** How does this passage change the way you view and relate to others and the world?
   - *Action to take? Command to follow? Promise to Claim? Sin to Avoid?*
5. ***CHALLENGE QUESTION:*** We often only talk about stewardship as it applies to money. How are you stewarding other areas of your life like time, relationships, spiritual gifts, and even your job or schooling?

## Huddles (30-45 minutes)

Break into groups of 3-4 men & women for deeper sharing, confession, prayer, and encouragement.

### HELPFUL HUDDLE QUESTIONS

» How did the challenge go last week?

» How did you feed your flesh? (Anything to confess?)

» How did you feed your soul?

» How did you disciple others?

» Pray for each other. Pray for a lost person in your life.

## For the leaders:

***Vision Cast for Multiplication:*** Remind and encourage the mission of Creek Groups, and that health leads to multiplication and fruit!
