What is Church on the Square?

Church on the Square is our Easter service in downtown Boerne. Making Church on the Square happen is a big undertaking and we have been asked why we do it. Well, we get to preach the great news of Jesus's resurrection in the open air and gather together as a church along with other believers in the Boerne area. It is a unique event here in Boerne and a very public display of what we as a church hold to be essential to the salvation of mankind, the resurrection!

Please make plans to join us and make sure you invite someone that needs to hear about Jesus Christ's mission to save!
