CREEK KIDS

Sunday Mornings | Kicks Off August 14th 9AM & 10:30AM Services

Children in Creek Kids are gathered together and meet in three different age groups, Creek Babies: birth to two years old, Early Childhood: three years old to kinder, and Elementary: first to fifth grade. Creek Kids uses the Gospel Project, which is a chronological Bible curriculum where God's Word is central, and children are taken through a study of the Bible in 3 years.

- In Early Childhood children attend chapel time where they sing, dance, and are taught biblical truths each week using the Gospel Project curriculum.
- Creek Kids Elementary strives to be a place where God's Word is taught, friendships are built, and
 children learn to worship together. Creek Kids holds to these five foundational elements: praise and
 worship, Scripture memory, Bible teaching, small group discussion and a take-home for parents.

MEET MARISSA MCCOY

Our New Director of Children's Ministry

It's so great to be back in my hometown of Boerne to join the staff of Currey Creek! I have a passion to serve families and walk alongside volunteers as we navigate this life following Jesus. For the past 18 years, my family and I have lived in Friendswood, Texas, and while the weather was a little rough, we experienced a wonderful life in that community. Over 10 years of my life in Friendswood was spent serving on staff at a church called The Harbor; first in student ministry and finally as the Director of Women's Ministry. Torin and I, along with our son, Cole, are graduates of Texas A&M University. Our daughter, Canaan, is also a Texas Aggie and just completed her freshman year. When I have some free time, I love being outdoors, hanging out with family, hiking the mountains of Colorado, and eating chocolate chip cookies! I can't wait to join the amazing Currey Creek team and to meet you and your family personally as we strive to have fun and grow together in Christ!

Please be praying:

- That the staff be ready and prepared for the ministries that will soon be starting up.
- That the staff and elders seek God's wisdom and discernment in making decisions around accommodating the continued growth of our church.
- For the staff to be good stewards of the people that the Lord has brought to Currey Creek and for the people that He will continue to bring to Currey Creek.

• MISSION PARTNERS, Muralee Kanagalingham & Hussam and Tine Yazbek

Muralee and the Yazbeks are mission partners that Currey Creek has supported for many years. Muralee has been in the US for part of July visiting with Currey Creek and other churches that support him and his ministry. Hussam and Tine are about to take their ministry to Germany to minister to the Arab community in Berlin.

Please be praying:

- That the Lord provides for them spiritually and financially as they continue to share the Gospel and make disciples in Sri Lanka and in Berlin.
- That the Lord use Muralee to provide hope in Jesus and to be a light to the people of Sri Lanka during this unstable time.
- That the Yazbek's move to Berlin goes smoothly and that they can get settled quickly and establish a community of people that support them and their mission.
