# LOCAL MISSIONS

## A MESSAGE FROM OUR MISSIONS DIRECTOR

We have been studying the Book of Ruth, which tells God's redemptive story of two women—Ruth and Naomi. These two women, having lost spouses and bearing no children, found themselves in an incredibly vulnerable place. But our God sees. He sees and He provides. He provided Boaz to care for these two women in their vulnerability and need.

God invites us to love the vulnerable as He does. He goes so far as to say that when we love the least of these, we love Him (Matthew 25:40-45)! Today you have an opportunity to engage with three different ministries who have set out to love the hurting and vulnerable in our community. Today, you could step into being part of God's redemptive plan in the life of foster families and children, grieving families, and the elderly population.
