MAY 2024

R E S T

May is a busy month. School is crashing to an end and summer is coming. With that comes all the events, the planning and the coming and going. There may be a point where you feel like you are struggling to hold on. In these moments of busy let us find ourselves holding on to the Lord versus holding on to our circumstances. The things we have going on are important, but nothing is more important than the Lord and the time you spend with him. This month, let us remember to slow down and spend time with the Lord. Take comfort in the words God spoke to Moses when he was feeling overwhelmed and frustrated.

*And he said,
"My presence will go with you, and I will give you rest."
Exodus 33:14.*

Our prayer is that your time at Currey Creek will be a time of rest and not be something else to add to the busyness. A place where you can come and encounter the Lord. Let May, the month of busy, be transformed into a month of rest with the Lord.

CREEK MISSIONS

REGIONAL PARTNERS

NORTHEAST BAPTIST COLLEGE

Started in 2013, NEBC was founded due to the lack of Christian witness in the Northeast. Dr. Ballard had the vision to equip Church Planters and other Christian leaders to go into the towns of Vermont to share the Gospel, plant churches, and send more laborers into not only Vermont, but the entire Northeast. Last year, a group of about 60 people saw 583 people come to faith in Christ!

Did you know? Vermont has a population of about 650,000 and less than 2% *evangelical Christian*. A predominantly rural state comprised of 251 towns, many of which lack any Gospel witness, the people of Vermont may go their whole lives and never hear the Gospel.

STORY

Dr. Ballard, the president of the Christian college, shared the story of a middle-aged man who had never heard the Gospel in his whole life until they showed up on his doorstep. After receiving Christ, the man surrendered to a call to ministry and now pastors a church.

Interested in going? NEBC received groups that come and do labor on their student housing, to allow them to take more students. Whilst there, you will also go out with their team to share the Gospel with people who may have never heard the Gospel. Email missions@curreycreek.com if you would be interested in going on a future trip.

PRAY FOR NEBC:

- **Funding:** Many of the staff will go semesters without taking a pay to allow the college to still run. Pray that they would receive more funding than they even need to be able to continue the development of students for the sake of the Kingdom!
- **Harvest:** Pray that NEBC will continue to see many come to faith in Christ and that a church will be established in every single town of Vermont.
- **Multiplication:** Pray that the movement of the Holy Spirit would go throughout the entire Northeast into the remainder of the United States.
- **Investment:** Pray for a team to be raised up to go and help with the work at NEBC.
