---

## Serve

Here are some ministries that need volunteers:

---

### CREEK KIDS

- We are looking for 25 new volunteers to join our Creek Kids family as we launch for the Fall semester!

## The Heart Behind

**LIFE**  
creek  
JULY 2024

# The Heart Behind

**Marissa McCoy**  
Children's Ministry Director

In Creek Kids, we long for our children to know God and know God's Word. Our mission each and every week is to introduce children to Jesus Christ and help them become fully devoted followers of Him. It is an honor to walk alongside and provide support to families as they raise up their children to know and love the Lord. Every week, the Creek Kids staff and volunteers intentionally share the good news, connect children to each other and the church, and provide a place where children can participate in meaningful shared experiences centered around Jesus. Sundays are awesome in Creek Kids, and we hope your child will join us!

---

**Bobby Langenbahn**  
Adult Ministries Pastor

The heart behind Adult Ministries is that the adults of Currey Creek have an opportunity to participate in Bible studies and events that will assist them in being transformed into the image of Christ. Everything we offer as part of Adult Ministries consists of environments where relationships can be built, community can be found, and disciples can be made. These environments include Creek Groups, women's Bible studies, men's Bible studies, women's events, and men's events. I am inviting you to participate in these environments so that you can start or continue your personal process of being transformed into the image of Christ. The Gospel of Jesus Christ saves us from our sin, but it also saves us for being used in the local church for God's purposes and God's mission. Please feel free to contact me if you have questions about how you can become part of the environments we offer.

---

**Josh Robinson**  
Worship Director

We worship a God who is worthy! At Currey Creek we desire for you to encounter God through our worship gatherings and find the saints testifying of His great work in our lives. Whether it be through an inspiring Biblical lyric, the beautiful voices of believers, or by reflecting on the wonderful work of Jesus, we hope you encounter the living God with us. God has given us this great gift to come and worship Him as the Bride of Christ. So come and find us with lifted hands and hearts, singing out and blessing the great name of Jesus Christ because He alone is better than life!

**Rylee Free**  
Missions Director

Our God is a missionary God. Directly after the fall of man, God made a promise that through the seed of the woman that Satan would be crushed (Genesis 3:15). In Genesis 12, God makes a promise to Abraham that His descendants would be more numerous than the stars in the sky, and that through him ALL the nations of the world would be blessed. It is important to remember that it was through the line of Abraham that Jesus came! Through Jesus, salvation was made available for all people. We know that people from every ethnic group will be represented in heaven worshipping at the throne (Revelation 7:9). Our God, the God of all Nations, has commissioned each one of us to participate in His grand narrative of redemptive history. He has called each one of us to participate in His work of making all things new through the proclamation of the Gospel, resulting in the establishment of His Kingdom on earth. Our desire for Currey Creek missions is to help you find your place in God's great story of bringing world redemption! He will accomplish His mission: The question is — are you going to accept His invitation to be a part of it?

---

**Kristene Brooks**  
Student Ministries Coordinator

From the time a student enters Upstream until they graduate, we have less than 400 hours with them if they come each Wednesday night, and less than 130 hours on Sunday mornings. Even the most consistent students will likely only have around half that time with us. The window of opportunity is small but significant. Different studies show that between 77% and 94% of Christians choose to follow Christ before they turn 18 years old. Students who have just one meaningful relationship with an adult in the church who is not their parent are over 80% more likely to follow Jesus in college. It is a privilege and a great challenge to be called to disciple the next generation. We are passionate about leading students in spiritual disciplines, Biblical truth and worldview, and equipping them to share Christ as they engage others locally and globally for the glory of Christ.
