Welcome to
CURREY CREEK

LIFE creek
SEPTEMBER 2024

We asked the founding members of our church who are still actively attending Currey Creek how they have seen Currey Creek Invest in God’s Kingdom, Church, & People over the past 23 years...

“We have been blessed to see Currey Creek, which was planted out of the desire to love the Lord and love others, minister compassionately while remaining rooted in uncompromising Biblical truth, both locally and throughout the world. Over the years, our church has provided leadership, training, people, and financial assistance in order to plant new churches locally and support indigenous ministries internationally — always seeking to impact culture through lives transformed by the power of the Gospel.”

TOM & RHONDA GARNER

“As founding members, we watched First Baptist Boerne model church planting. We decided to leave FBC and help start Currey Creek back in 2000. It has been so rewarding to be part of the continued vision that John Free has for church planting, as we launched The Bridge and Bergheim Fellowship, our own church plants. Growing from 40 founding families to where we are today is amazing! But the growth, we feel, is due to people in Boerne being hungry for Jesus and in the process finding community at Currey Creek. “

BOB & SHERRY WILLIS

“Currey Creek Church has been about mentoring and discipling believers since day one. We have witnessed young men and women be prepared for ministry and leadership through individual and group discipleship. Men and women have been taught the Word of God from the pulpit and in Bible studies and many have then gone out and started discipling others.”

SHIRLEY & LEO MILLS

“One of the things I have always loved at Currey Creek is the view beyond Currey Creek and Boerne. In the beginning years of our church, there were small group mission trips to Nicaragua, Romania, and Moldova. Looking beyond Boerne has always encouraged me to think of the Kingdom of God and how glorious it will be when we all meet in Heaven.”

PEGGY MORTON

“It has been our greatest privilege and deepest joy to see God initiate, sustain and empower Currey Creek to invest in the people of God, invite people into the family of God, culminating in the glory of God through the establishment of His Kingdom on earth. Whether it be the preaching of the unadulterated Gospel, the commitment to authenticity and simplicity, the training of pastors and ministry leaders, or the ministry that happens outside the four walls of the church, Currey Creek has remained committed to the discipleship of people to be kingdom citizens that make much of God.”

JOHN, DARLA, & RYLEE FREE

“The stories of those whose lives have been impacted by the work the Lord is doing in and through Currey Creek are too numerous to count; I have been privileged to witness this firsthand in the church’s foreign and local missions. The pastors, staff, and people of Currey Creek have intentionally invested in myself and many others through prayer and discipleship to equip us to step forward in ministry.”

MORGAN HAGAN

“We have seen Currey Creek invest in God’s Kingdom by empowering members to fully utilize their God given talents and spiritual gifts for the benefit of ministries outside the walls of the church. In our case, we have received physical, spiritual and sometimes financial support which has allowed us to do more than we would ever be able to on our own.”
