

FOR THE NATIONS

CREEK MISSIONS

NOVEMBER PRAYER POINTS

War and political instability ravage the world. This month, please take time to pray for places all over the world currently experiencing war, violence, hunger, oppression and political instability. Pray for God's kingdom and rule to bring peace.

He shall judge between the nations,
and shall decide disputes for many peoples;
and they shall beat their swords into plowshares,
and their spears into pruning hooks;
nation shall not lift up sword against nation,
neither shall they learn war anymore.
Isaiah 2:4

UKRAINE

Welcome to CURREY CREEK

The Bridge Fellowship Church

It really does seem like yesterday that we held our first The Bridge Fellowship interest meeting in the upstairs elementary auditorium of Currey Creek. We dreamed about seeing a Gospel movement that would reach every person of the Hill Country, and we looked at Ephesians 3:20 and prayed that God would do “beyond all that we could ask or think”.

Fast forward to today and I can confidently say that God has certainly answered that prayer. What once started as 200 members of Currey Creek sent out meeting in one service at Herff Elementary, has now multiplied over four years and we are truly seeing a

Gospel movement reach the Hill Country. We have seen lives changed, hearts healed, and have witnessed over 204 people come to know the Lord (more people than we had on our original core team)!

As we enter a new season of The Bridge, we would love your prayers. Please pray that the Lord would go before us in our building process, pray for the Lord’s wisdom, provision, and guidance as we navigate this next chapter, and ultimately, that we would never take our eyes off Jesus. He is the reason we live and breathe!

Christ is All!

Bergheim Christian Fellowship

Currey Creek family,

Bergheim Christian Fellowship just celebrated its two-year anniversary, and we can’t be more grateful for our heritage as a church, our identity as God’s people, and our hope in the future He has in store for us. The two years have been full of highs and lows, joy and mourning, but through it all God has grown a deep love and incredible fellowship throughout the body that meets here, a closeness which many in the church have never experienced. We are grateful.

It is important to relay to the Currey Creek family what God is doing at BCF. By God’s design, Pastor John’s vision, and the elders’ support, a new church family has been born and is growing which will appeal to and reach a different target audience, in a distinct part of the Hill Country. I’m fully confident that a Currey Creek who never planted would not have reached the people that a Currey Creek who did plant has reached by extension, and continues to reach. The Kingdom multiplies because of the Kingdom-mindedness of First Baptist Boerne who launched Currey Creek who launched The Bridge Fellowship and Bergheim Christian Fellowship, as well as a significant role in Beyond the Cross Church.

As God brings BCF to mind, I would ask that you pray for God to continue to grant us favor with the Voss Middle School faculty and families, as well as with the district office that allows us to use the facility. Please pray that God would provide land and a building in His good and perfect timing. Please pray for the unreached and unchurched in this area to be ministered to through the ministry of The Cup and BCF.

We love you and are grateful for you!
