CONVERSATION STARTER

- Have you ever been inside a cave when they turn all the lights off? What is the darkest place you have ever been?

DIG DEEPER

- What happens when someone tries to walk around in the dark?

- Read John 8:12. What do you think Jesus means when he says "I am the light of the world?"

- Jesus comes and he makes those who could not see because of the darkness able to see. He shows us what the world is really like, who we really are, and who God really is. The more we follow Jesus, the more we see things the way they really are. How has Jesus changed the way you look at the world? How about yourself? How about God?

- Those who walk in darkness stumble around. They do not know where they are going. But those who have the light of life have purpose and direction in their lives. They know where they are going. How has Jesus given you a purpose or mission in life?

PRAYER TIME

- How can you pray for each other? Spend some time lifting up any prayer requests you have before God.
