CONVERSATION STARTER

Imagine it is a hot day in the middle of the summer. You have been outside at Six Flags all day in the heat. You go to a concession stand to buy a drink to cool off, and they tell you they can give you any drink you want. What would you choose?

DIG DEEPER

- Read John 4:7-26 together. How did Jesus treat the Samaritan woman?
- What was Jesus' hope or desire for the Samaritan woman? What did he want her to have?
- From the beginning of the conversation, Jesus was trying to show the woman at the well how to find life in himself. How can we point others to Jesus so that they can find life in him?

PRAYER TIME

- Write down a few names of people your family knows who do not know Jesus. Spend some time praying for each other, that you would all enjoy the living water that Jesus has to give, and God would use your words and actions to lead those people on your list to the living water as well.
