

Donations for RMYA Children in Crisis; We Need Your Help Now!

Our social and economic times may be uncertain, but we at RMYA are already experiencing an increase in children and youth who need therapeutic, residential care! While many agencies are not accepting new clients to reduce their risk of exposure to the COVID-19 virus, at RMYA, **we will not turn away a child in need.**

The most effective way you can have an **immediate impact** on these children whose lives have already been turned upside down is to make a **monetary donation today** at www.rmya.org and click on the **Donate button**.

We have been receiving many calls asking how to help RMYA. We have several ways you can help our children directly:

Donate Cash or items through one of these channels:

- **RMYA Donate button** <https://bit.ly/donatermya>
- **The Big Give** <https://bit.ly/givermya>
- **Champions for Charity (Valero) / designate RMYA** <http://bit.ly/forermya>
- **Amazon Wish List for RMYA** <https://bit.ly/RMYAamazon>
